PARENT'S COMMITMENT

1. We have read and understand the school's philosophy of Christian education as outlined in the parent letter and we are in agreement with the purpose and philosophy of Hope Academy Pod.
2. We do hereby state that we have made an investigation of the school's program, curriculum, discipline, dress code, etc. Understanding that HAP is a biblically based program and all students will be taught from a Christian Worldview, we agree to positively support them for the coming school year.
3. We understand that we have an obligation to be actively involved in the education of our children through consistently working alongside. We agree to uphold and support the school's high standards for character, and to give our child encouragement and guidance in the completion of homework assignments, and making HAP assignments a priority in our weekly schedule.
4. We will faithfully support the school through our prayers and positive attitude, and in keeping with Matthew 18:15, we are committed to giving a good report by sharing any complaints and negative comments only with the people involved. In the event that we have a complaint or concern regarding school policies, procedures, and/or non-criminal conduct of any teacher or staff person, we will in the love of Christ, register such complaints only with a teacher, director, or the Board of Directors, as is appropriate. **We will not complain to any other person.** If we are unable to resolve the matter through this process, we agree to submit the matter to an outside mediator, in keeping with 1Corinthians 6:1. If reconciliation is not reached we agree to withdraw or family from the program quietly and gracefully.
5. We understand that HAP does not tolerate profanity, obscenity in word or action, dishonor to the Word of God, disrespect to the personnel of the school, or continued disobedience to the established policies of the school.
6. We hereby authorize HAP to discipline, if necessary, for the benefit of each student as well as for the entire school, and we give permission to the teachers and administration to make and enforce school regulations in a manner consistent with Christian principles and discipline as set forth in the Scriptures (Proverbs 22:6; 29:17; Colossians 3:20) We further agree that we will cooperate and discipline our child in the home as needed. Discipline will be removing benefits or student out of classroom. Our hearts will always be to bring out the gold in each child and find the root cause of any behavioral problems.
7. We understand that all students enter the program on probation until it is well established that this is a good fit for them and HAP. We pledge that if, for any reason, our child does not respond favorably to the school, we will do everything in our power to cooperate with the school to help our child make the necessary adjustments (this is usually accomplished in the first six weeks of enrollment.) If these adjustments cannot be made, then we agree to quietly withdraw our child.
8. We understand that if our student is involved in any action that results in damage to school property or facility, assessments will be made to cover damages to the school, including breakage of windows, book damage, and/or abuse of other property, such as tables, desks, school chairs, etc. Recompense will involve the cost of parts, labor, and administrative oversight.
9. We will support the school by attending Orientation, Parent-Teacher Conferences when needed, making attendance to classes a top priority, and other school sponsored meetings and activities.
10. We give permission for our child to take part in school activities, including playground and school-sponsored trips away from the school premises. **In doing so, we agree to absolve HAP from liability because of injury to my child/children at school or during any school activity. We understand that the school does not provide student medical insurance and that it is our responsibility to provide our own.**
11. We understand and will fulfill our financial commitment to pay for the educational services the school is providing for our child.
12. We, as parents of the student applicant, do sincerely give our pledge to the above items. We understand that failure of the parents or child to comply with the established regulations and discipline, parental commitment, or failure to meet financial obligations will forfeit the student's privilege of attending.

(Both parents must sign if living in the same home.)
